

The New Game in Town: Link an Autodesk Civil 3D Surface in Revit Through BIM 360

Dan Stine AIA, CSI, CDT
Design Technology Manager, LHB

Zhengrong Fu
Product Owner, Autodesk

About the speakers

Zhengrong Fu

Product Owner in the Revit team at Autodesk. He has been with Autodesk since 2008. He was a Quality Assurance engineer for Revit MEP before becoming a Product Owner for architecture. Currently he is working on improving the site collaboration workflow between Revit and AutoCAD Civil 3D. He is the author of Autodesk Revit MEP Skill Collection in Chinese. And he has presented at AU China four times.

About the speakers
