

A man is riding a motorcycle away from the camera on a paved road. The back of his black jacket features a logo of three concentric circles and the text 'SOLARBUDDY.ORG'. The motorcycle's rear fender has a white sign with black text: 'N7', 'ANTSIRABE', '46', 'FIANARANTSOA', and '294'. The background shows a road lined with trees and a building with a sign for 'HOTEL RESTAURANT Jacoian'. The entire image has a yellow tint and is overlaid with a pattern of yellow wavy lines.

ENERGY POVERTY IS THE WORST FORM OF POVERTY

2011

Our Aligned Goals

Our key areas of focus are
Global Goals:

- #3** Good Health and Wellbeing
- #4** Quality Education
- #7** Affordable and Clean Energy
- #13** Climate Action
- #17** Partnerships for the goals

SUSTAINABLE
DEVELOPMENT **GOALS**

Solar Panel

The Solar panel used in the FamilyBuddy suite will be large enough to support all devices.

Solar Lighting

In addition to our portable lights, JuniorBuddy and StudentBuddy we will provide smaller wired LED units for permanent light throughout the house.

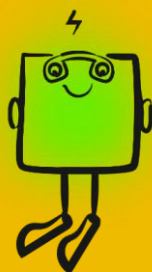

Solar Cooler

The solar cooler will be able to store and cool food as well as keep medicine safely.

Solar Home

Will be the central device, where energy is stored and controlled. The solar home will be able to power the devices without direct sunlight for 3 days.

Solar Cooker

Will be solar powered, however, the team at SolarBuddy is looking at a few different options in terms of biofuels and self-powering systems.

Thank you for joining our global community of light givers. We couldn't be more grateful.
