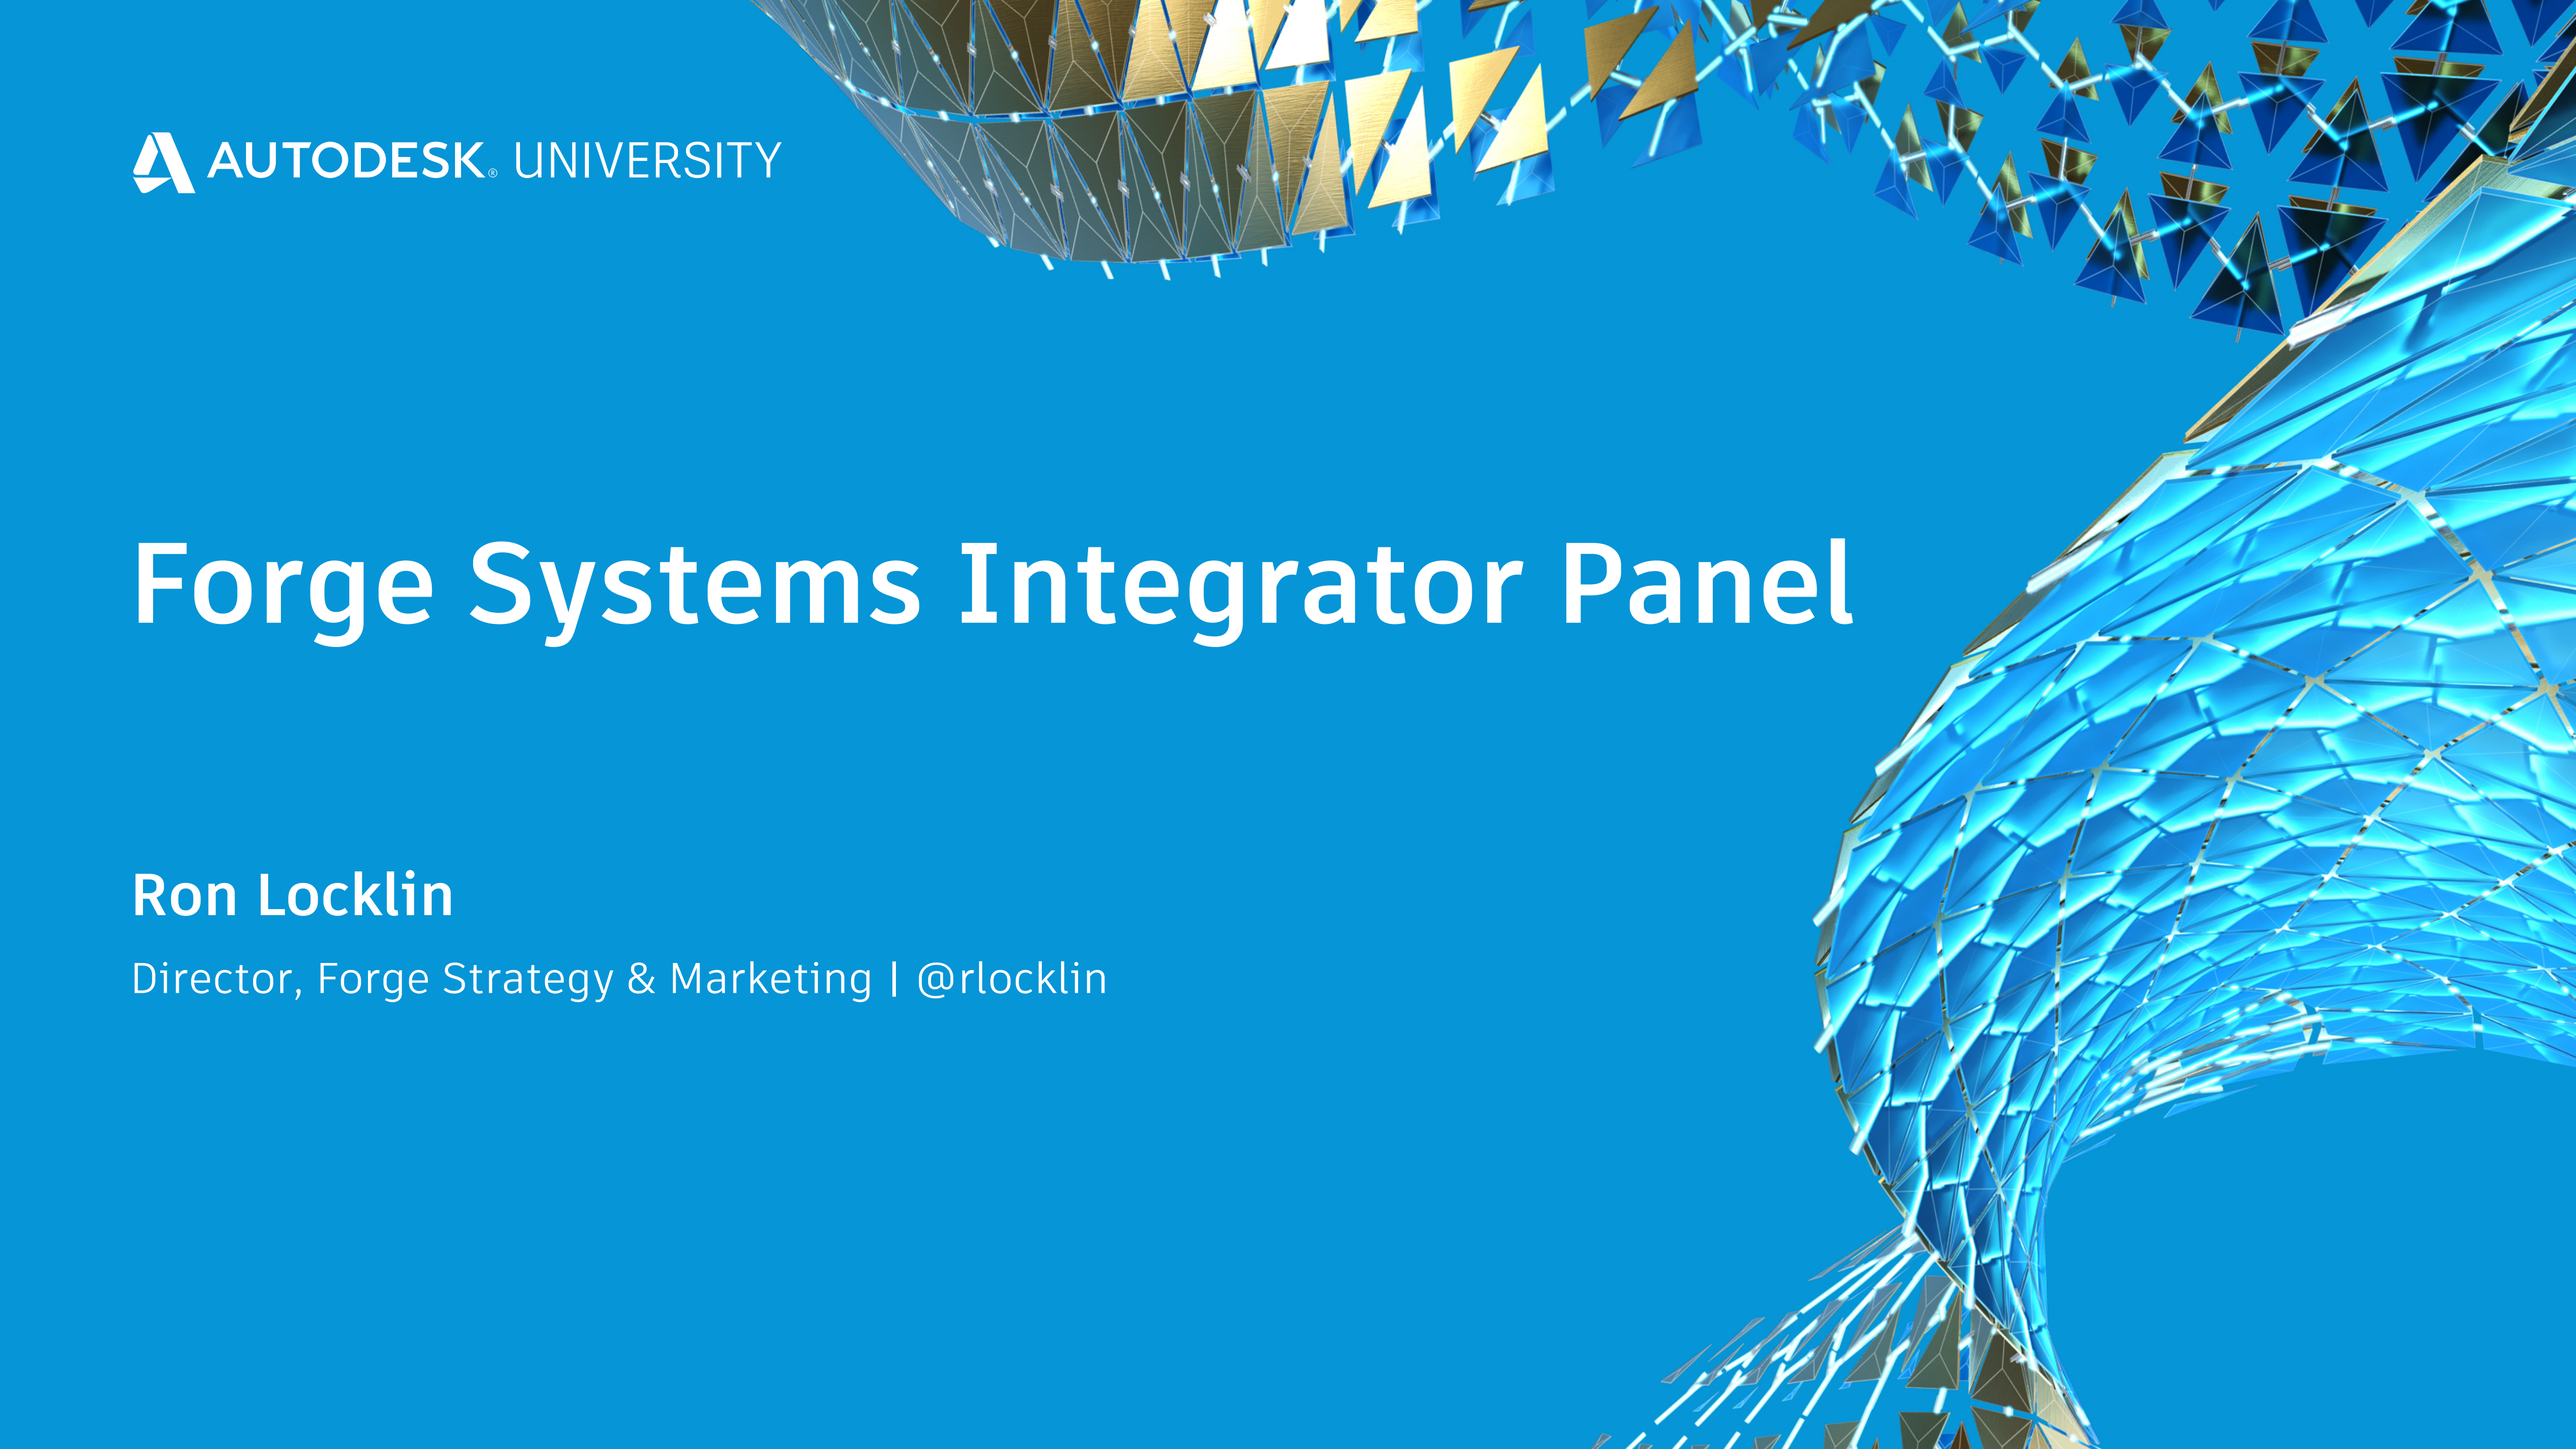
Forge Systems Integrator Panel

Ron Locklin

Director, Forge Strategy & Marketing | @rlocklin



Ron Locklin

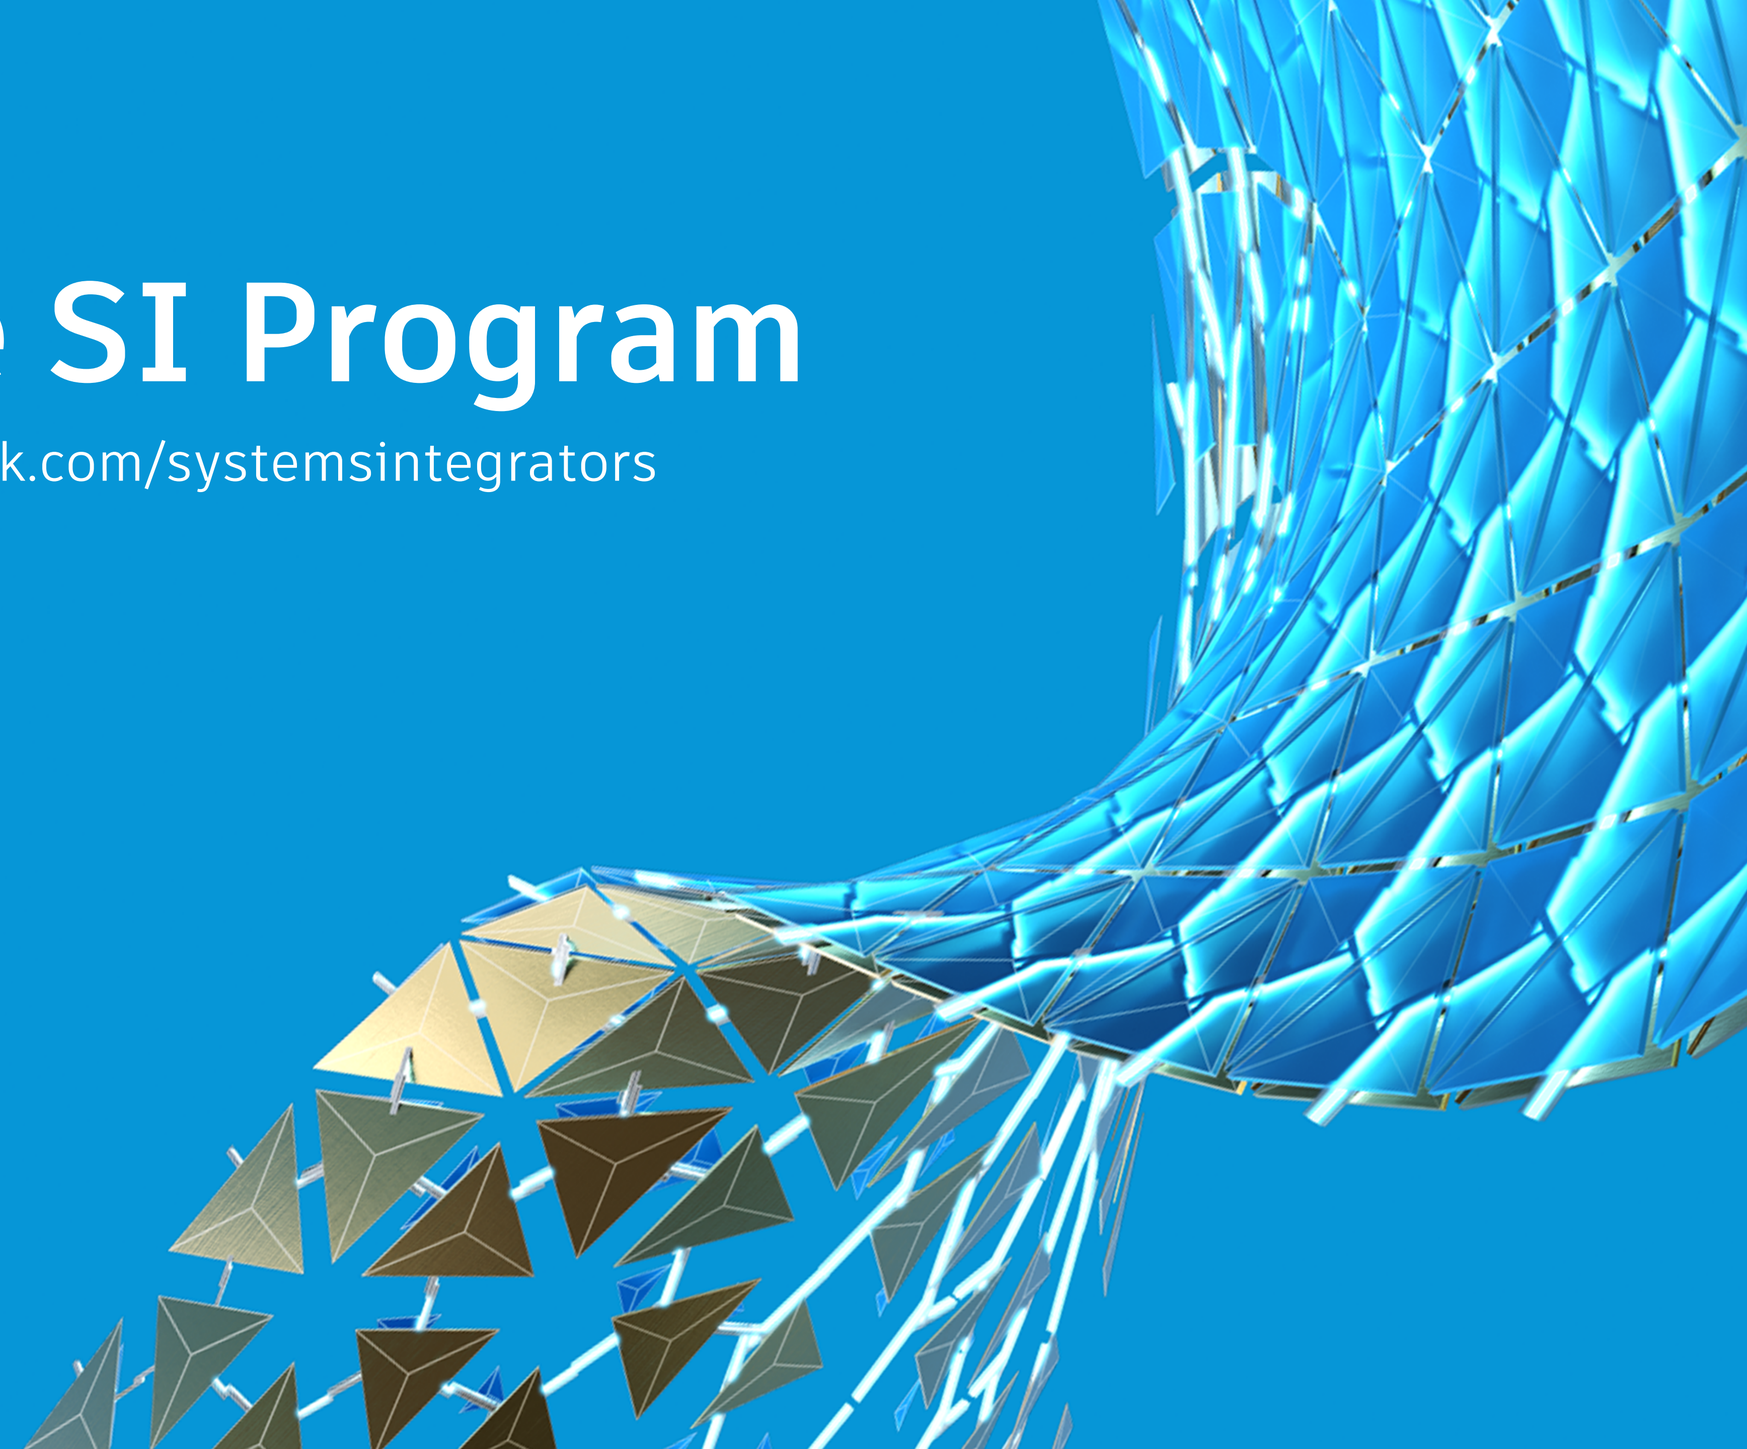
Director, Forge Strategy & Marketing

Forge is Autodesk's cloud development platform. You can use Forge's set of web service APIs to build innovative, cloud-powered applications, to streamline and innovate how you work.

AUTODESK.

The Forge SI Program

https://forge.autodesk.com/systemsintegrators

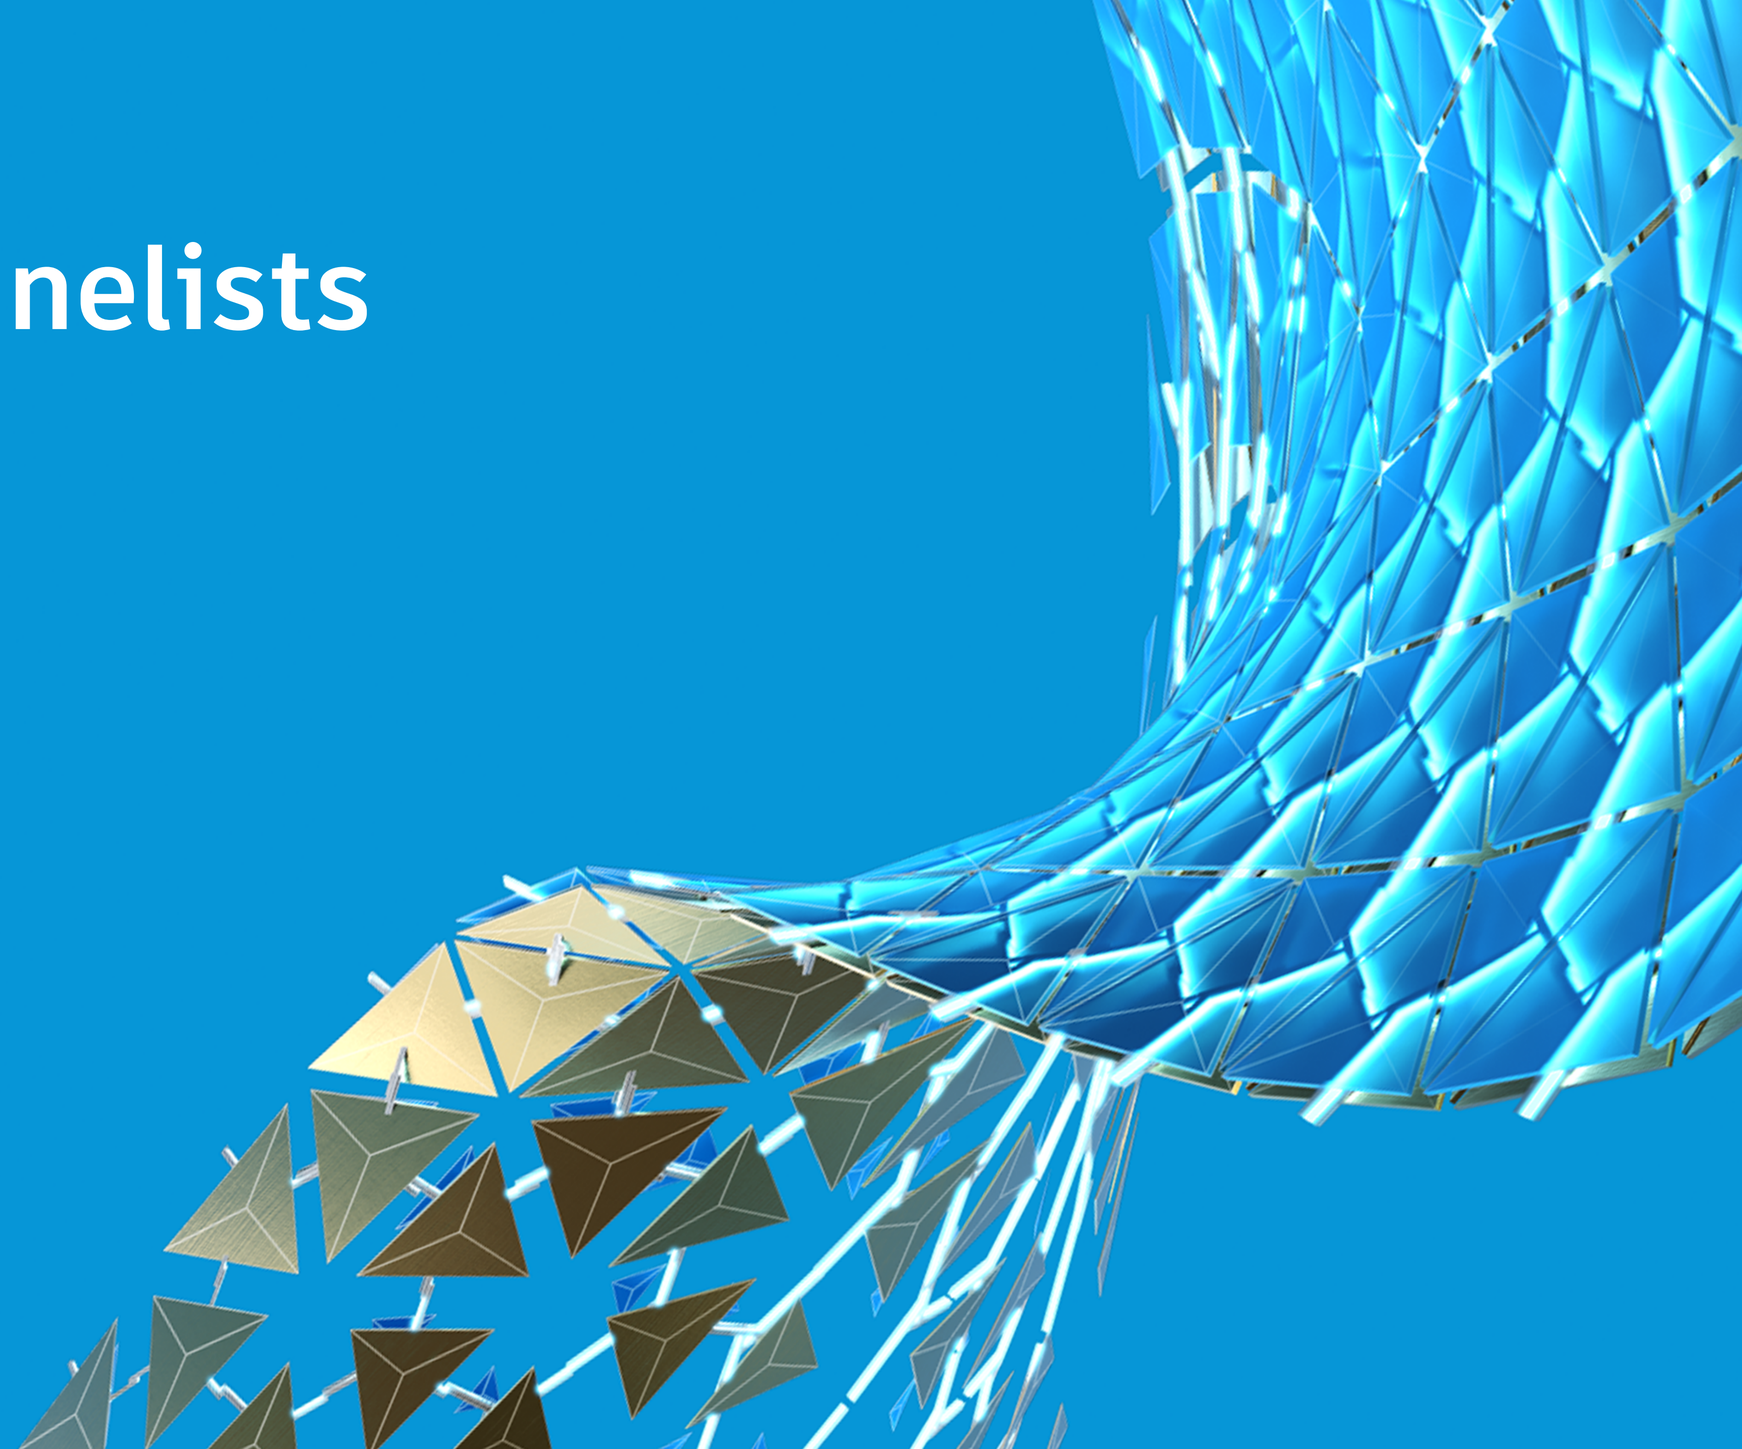


The Autodesk Forge Certified Systems Integrators were trained by Autodesk experts to provide customers with reliable support resources.

These trusted partners have proven track records of helping businesses build software integrations within existing systems, and deploy custom, Forge-powered, cloud-based solutions.

AUTODESK FORGE®

Meet the panelists



Varun Bhartiya

Chief Executive Officer and Co-Founder, nCircle Tech

nCircle Tech empowers passionate innovators in the AEC and manufacturing industries. Fulfilling their mission of redefining the way professionals design, collaborate, and visualize, nCircle provides disruptive solutions that reduce time to market and meet business goals.
