

# How to grant access to Autodesk® Fusion 360™ for Product Design Suite Subscribers

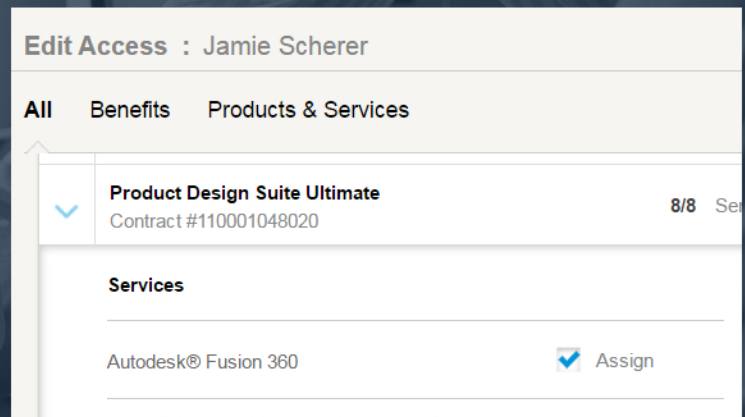

## Access requires two key steps:

The Contract Manager or Software Coordinator grants end users access to the Fusion 360 benefit.

### Login to Autodesk Account

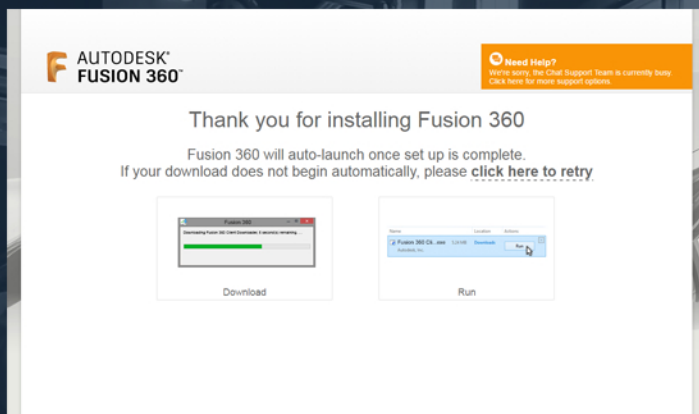

### Assign User Access to Fusion

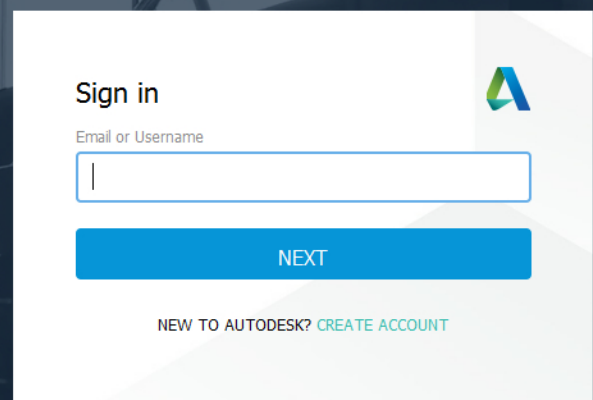

The end user downloads Fusion 360 and signs in with the same Autodesk Account that the Contract Manager used in the assignment.

### Download from Autodesk Account

### Install and Login to Fusion

The following video provides a quick overview of how to assign access to Fusion 360
