Your Instructors

Antony John
Product Manager, PLM 360

Antony is a Product Manager with Autodesk PLM 360 working out of Autodesk office in San Francisco. He has been working in the PLM industry for more than a decade and a majority of it was spent as Senior Product Manager of PLM with the world's largest enterprise software company. He also has been a speaker and presenter at multiple PLM events. His experience is varied and has been a trainer for few years early on in his career. He holds a Masters Degree in Computer Applications and is a Pragmatic Marketing trained Product Management Professional.

Michelle Stone
Product Manager, PLM 360

Michelle is an Autodesk PLM 360 Product Manager. Before joining Autodesk, she has worked with PLM systems including Oracle Agile EDM (formerly Eigner CADIM/EDM), Oracle Agile 9, and Aras Innovator. Michelle's software-related activities included design, development and testing of integrations to various third-party systems and applications, legacy data migrations, custom business process modeling enhancements and upgrades.

Next 60 minutes...

“Of all the things I’ve done, the most vital is coordinating the talents of those who work for us and pointing them towards a certain goal.”

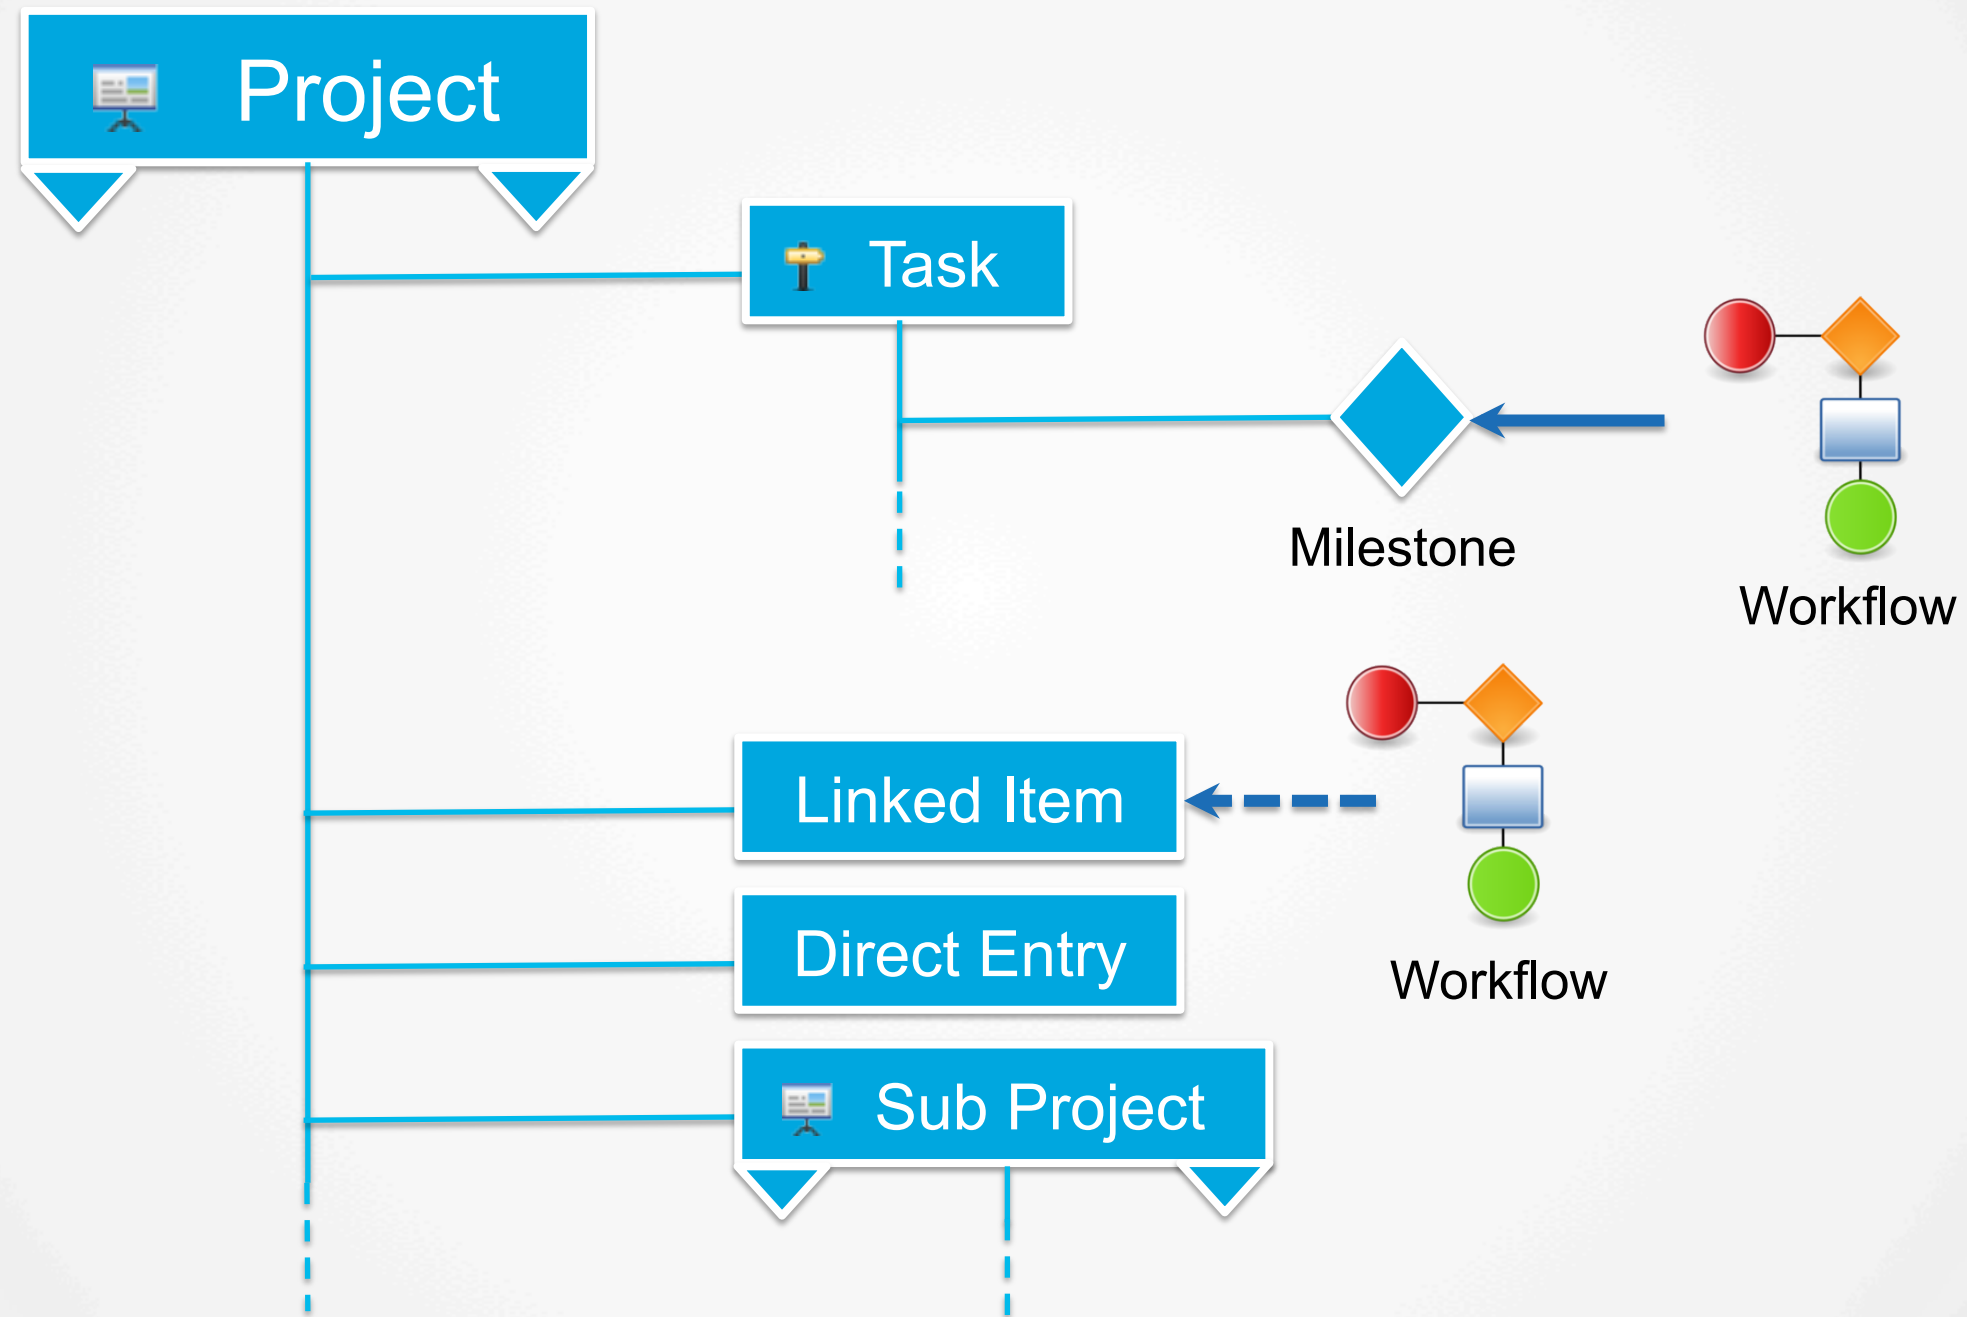

Bill Stamey

Where do we fit in?

Source: Project Management Institute – pmi.org

How do we do it?

Projects – Schedule Tab

- Permission Enables or Disables it
